Office of the Vocation Support
Co-chairmen

Dear Worthy Grand Knight, Faithful Navigator:

Enclosed please find a copy of the **2015-2016 Knights of Columbus Illinois State Council State Vocation Support Booklet**. This booklet contains the names, home addresses, birthdays, academic level, seminary attending and the name of the home parish of each of the men who are studying to be our future priests in the six Dioceses of Illinois. Each year, with the help of each one of the six Diocesan Vocation Directors, we publish this booklet so that you and your council & assembly can get involved in supporting a seminarian that might need financial help.

This year we have 186 men who have aspirations of serving the Lord as one of His Priests. But often expenses, such as medical bills and automobile maintenance bills just to mention a few, put a burden on some of these men. They worry about how these bills will be paid. **My dear brother knights this is how we, as Knights of Columbus, come to the rescue.** Not only are we to support these men with our prayers and our moral support but we must try to support them financially.

This fraternal year is no different. We are asking that every council and assembly in this great jurisdiction of Illinois not only to remember these men in your prayers, but also offer them moral support and finally reserve some revenue in your council or assembly budget to support them financially. Remember, today they are our seminarians. In a few years one of them could be the Pastor or Associate at your parish and very likely could be your council Chaplain or assembly Faithful Friar.

In conclusion, on behalf of all these men, we would like to thank you for what you have done for this program in the past and take this opportunity to thank you in advance for what you will do for this program this fraternal year. God Bless and VIVAT JESUS.

Fraternally,

Ron

The Knights of Columbus launched the Refund Support Vocations Program (RSVP) in 1981. Under this program, local K of C councils or assemblies make an annual contribution of \$500 or more to an individual seminarian to help with his expenses. Councils and assemblies can sponsor more than one seminarian if their resources permit. In each case, the minimum annual contribution is \$500 per seminarian. For every \$500 donated, the council or assembly is eligible for a refund of \$100 from the Supreme Council. The maximum refund a council or assembly can receive is \$400 per individual supported. For Columbian Squires circles, the annual contribution per seminarian is a minimum of \$100, with each circle eligible to receive from the Supreme Council a refund of \$20 for each \$100 contributed.

The following persons are eligible to receive RSVP funds:

- Seminarians who have been accepted by a diocese and are currently in their "spirituality" year;
- Seminarians attending major seminaries (usually, four years) in preparation for priestly ordination;
- Seminarians in their "pastoral" year (most often, when they are deacons);
- Seminarians attending college seminaries (sometimes called minor seminaries);
- Seminarians who belong to a religious institute and are currently in formation for the priesthood (religious seminarians often are called "Brother" even though they will eventually be ordained as priests); and
- Men and women who are novices or postulants in religious orders or religious communities.

Those eligible for assistance include foreign seminarians studying in the United States or Canada; U.S. or Canadian seminarians studying overseas; seminarians from your home diocese currently attending seminaries in another diocese, state, or country; and seminarians from other states or dioceses attending a seminary located in your jurisdiction.

Persons not eligible for RSVP funds are the following:

- Priests or religious seeking assistance for continuing education;
- Religious brothers not currently studying for the priesthood; and
- Candidates for the permanent diaconate.

SECTION I AND II MUST BE COMPLETED TO BE ELIGIBLE FOR THE RSVP PLAQUE

DIRECTIVES FOR SECTION I: (RSVP) REFUND INFORMATION

To qualify for the refund, the following conditions must be met:

- a) Money given to each individual must be vocation-related, donated between July 1 and June 30 within the fraternal year applied for and must amount to at least **\$500 per individual**.

- c) Money must be given to a seminarian, postulant or novice only.
- d) The money must be paid with a check drawn on the council account.
- e) Copies of any cancelled check(s) (both front and back sides) or other documentation **must** be attached to this application. An example of other documentation is a council bank statement, with non-relevant sections blacked out.

DIRECTIVES FOR SECTION II: (RSVP) MORAL SUPPORT INFORMATION

Substantial moral support is required. This would include some or all of the following:

- a) correspondence between council and seminarian/postulant
- b) personal visits to seminary or religious residence
- c) invitation of seminarian/postulant to council events
- d) similar signs of interest.

BY "COACH" MARK MCGEARY

Something wonderful happens here at Mundelein Seminary each winter, amidst the blustery cold and snow. Seminary men are given a chance to meet those who share their same unique vocation and to compete in the game of basketball. They come for an annual basketball tournament as exciting as the priest it was named after. This year the pool included 12 teams that travelled from as far away as Maryland and Louisiana. They came not only with players but with priests, coaches, mascots and rabid fans.

Why do they come and why does Mundelein host this tournament each year? After all, this is a very active seminary with activities planned throughout the year and our time is precious. Would it not be a better use of time to study? Would it not be a better use of those travel funds to take a retreat or pilgrimage? Certainly the Knights of Columbus could easily have donated their money elsewhere. I often asked myself this question during this year's tournament, as I hus-

tled between the Mundelein gym and the gym at Santa Maria Del Popolo, where we played additional games due to the larger number of teams in attendance.

Why would these young men travel so far and why would Mundelein go to so much trouble to put on this tournament? As this year's tournament director and coach of the Mundelein Lakers, I can account for the amount of time and effort it takes to put on this annual event. It involves many departments at the school, including the business office, administration, facilities, conference center, refectory, as well as the faculty and student body. This year we had a need for more than 100 volunteers to make it run smoothly.

As I was watching a game between Kenrick-Glennon and Immaculate Heart, the answer hit me. I watched these young men, some highly experienced and others with less experience, and I noticed how hard they all played. It occurred to me just how limited their time was to enjoy this opportunity, and they were taking full advantage of it. We are seminarians and, God willing, we will each be heading off soon to do His work as priests. As ordained priests, it is doubtful that they will ever have the opportunity to gather like this again and enjoy the gift of competition among brother seminarians. These men practice and train for these events every year with the zeal of St. Paul. "No, I drive my body and train it, for fear that, after having preached to others, I myself should be disqualified." (1 Corinthians 9: 27)

Seminary is a small window of time in the life of these young men who are giving their lives to the Church. How many chances over their six years of formation will they have to gather together as competitors? How often are they able to visibly see the fruits of the Holy Spirit in the call of so many men to the priesthood? What we are providing them is special.

My personal experience as coach of the Lakers was also enhanced by the revelation of what an opportunity this tournament can be for fraternity. It can be a trying ex-

perience to bring 12 men together to play as a team, especially when there is little time to practice. I have had the opportunity to be around many basketball tournaments in my life, and am hard pressed to remember having as much fun as I did at this year's tournament. The Lakers played some really good basketball this year and although it did not end with the championship trophy we set out to capture, it ended with us knowing we played hard and represented Mundelein well.

I enjoyed the friendly competition of last year's tournament, but now I understand what a gift this tournament is to us all. I noticed I smiled a little bit bigger, and I grinned a little wider, as I watched an athlete dribble the ball off of his foot in front of his team-mates. They smiled and patted him on the back and said, "Its OK. Get 'em next time." Although everybody wants to win each game, in the end it is about fellowship and good tough competition. St. Paul knew this when he asked, "Do you not know that the runners in the stadium all run in the race, but only one wins the prize? Run so as to win." (1 Corinthians 9:24)

I am sure that, to some, this tournament seems like a time when we move Christ from the center of our lives and instead

center them on sport. This is far from the truth. This is a chance to acknowledge the glorious gift that is the human body. We use this weekend to remember that Christ has called us as men to His holy priesthood. We are men who interact with the rest of the world in a uniquely masculine way. The way that a father bonds with his children by playing with them and letting them feel his strength. We must let our brother seminarians know our strength both in character under pressure and body under duress, so that, "as iron sharpens iron, so man sharpens his fellow man." (Proverbs 27:17)

Christ Himself did not play basketball, but he was certainly in the habit of bringing men together in order to accomplish a cause. Perhaps they even took time to play six on six (Judas probably wasn't much of a competitor so he would sit out of course) and enjoy the bodies that God had given them with His only Son, our Lord. It is for this reason that we bring these seminarians together each year and why we hope to continue it year after year. Basketball is a great game, but it is not for the sake of this game that we play. "All this [we] do for the sake of the gospel, so that [we] too may have a share in it." (1 Corinthians 9:23) ■

Do you not know that the runners in the stadium all run in the race, but only one wins the prize? Run so as to win." (1 Corinthians 9:24)

WHY WE NEED VOCATIONS

A PRIEST'S DILEMMA

If a priest preaches over 10 minutes, he's long winded.
If his sermon is short, he didn't prepare it.
If the parish funds are high, he's a businessman.
If he mentions money, he's money mad.
If he visits the parishioners, he's noseey.
If he doesn't, he's being snobbish.
If he has fairs and bazaars, he's bleeding the people.
If he doesn't, there isn't any life in the parish.
If he takes time in confession to help and advise sinners,
he takes too long.
If he doesn't, he doesn't care.
If he celebrates liturgy in a quiet voice, he's a bore.
If he puts feeling into it, he's an actor.
If he starts mass on time, his watch is fast.
If he starts late, he's holding up the people.
If he tries to lead the people in music, he's showing off.
If he doesn't, he doesn't care what mass is like.
If he decorates the church, he's wasting money.
If he doesn't, he's letting it run down.
If he's young, he's not experienced.
If he's old, he ought to retire.
But if he dies,there may be no one to replace him!

My Dear Brother Knights:

*This is why we need your help in supporting the young men
and women studying to be our future priests and sisters.
Please don't turn your back on them. They need our help!*

I'M THE FELLA

*I'm the fella who was asked to join the Knights of Columbus.
I'm the fella who paid you dues to join, stood up in front of all of you and
promised to be a loyal and faithful brother Knight. Practiced the virtues of
Charity, Unity, Fraternity and Patriotism.*

*I'm the fella who came to every meeting since that time, but no one paid
any attention to me. I tried several times to be friendly to some other
brother knights, but they all had their "buddies" that they had to talk to and
sit with. I sat down along with unfamiliar faces several times. They didn't
pay much attention to me.*

*I'm the fella who hoped that somebody would ask me take charge of an
activity. I wanted very much to do something to help out but nobody asked
me.*

*I'm the fella who just missed my first meeting since joining because my wife
was sick and I couldn't make it. But, no one asked me at the next meeting
where I was. I guess it didn't matter very much to the others whether I was
there or not.*

*I'm the fella that you might call a good guy, a family man, that I hold a
responsible job and love my church and community.*

You know who else I am?

I'M THE FELLA WHO NEVER CAME BACK!

Prayer for Vocations

(Pope John Paul II)

Lord, Jesus, As you once called the first disciples to make them fishers of men, let your sweet invitation continue to resound : Come follow me.

Give young men and women the grace of responding quickly to your voice.

Support our bishops, priests and consecrated people in their apostolic labor.

Grant perseverance to our seminarians and all those who are carrying out the ideal of a life totally consecrated to your service.

Awaken in our community a missionary eagerness.

Lord, send workers to your harvest and do not allow humility to be lost for the lack of pastors, missionaries and people dedicated to the cause of the Gospel.

Mary, Mother of the church, the model of every vocation, help us to say Yes to the Lord who calls us to cooperate in the divine plan of salvation. Amen.
